

THE
ART
OF Hi-Tech

The exclusive
combination
of elegance,
performance
and inspiration.

Pure aesthetics and real beauty are made explicit through the distinguished design of our products, without compromising the simplicity and the refined quality that are integral to Prestigio's elegance.

Elegance

Performance

Inspiration

INTRO

For those who foster a genuine passion for high performance products with advanced technology, Prestigio promises efficiency, seductive power and design excellence. Accomplishment is now yours to discover and experience.

Elegance Performance Inspiration

INTRO

Prestigio commits to creativity and individuality, and to its perpetual quest for ideas that inspire and challenge the standards. Dare to imagine. Dare to progress.

Elegance Performance Inspiration

A black and white photograph of a lighthouse on a rocky island under a cloudy sky. The lighthouse is a tall, white, tapered tower with a dark lantern room at the top. It sits on a rugged, rocky outcrop. The sky is filled with dramatic, layered clouds. The overall mood is serene and timeless.

About Prestigio

Prestigio offers an exclusive combination of elegance, sophistication, high product quality, advanced technology and state-of-the-art design. We aim to provide an enhanced quality of life with affordable luxury IT-related products and Consumer Electronics (CE), to those who enjoy a contemporary lifestyle.

This is achieved by consistently delivering on a commitment to:

- Offer a broad but researched product offering combining advanced technologies and innovative design.
- Provide products that meet the modern needs and requirements of a digital home and office life.
- Ensure a rigorous quality control as well as value-added services for our consumers and one of the best warranty terms in the market.

Currently headquartered in Cyprus, Prestigio actively operates in the EMEA region through business partnerships and representative offices located in more than 25 countries. Today, Prestigio is a fast-growing, well-established international brand sold in more than 40 countries. Prestigio is increasingly ranked among the most regarded brands in emerging markets across the EMEA region.

Prestigio has received two international certifications, ISO 9001 and ISO 14001. These testify that we implemented and comply with quality, safety and reliability standards, and that we are dedicated to improve our environmental performance.
