## Spring 2009

[www.westerndigital.com](http://www.westerndigital.com)

Western Digital, WD, the WD logo, My Book, WD Caviar, WD Scorpio, MioNet, and Put Your Life On It are registered trademarks in the U.S. and other countries; GreenPower, Essential Edition, Home Edition, Studio Edition, Mirror Edition, WD ShareSpace, WD TV, My DVR Expander, USB Edition, eSATA Edition, WD Anywhere Backup, WD Sync, WD Elements, My Passport, Studio, Elite, Essential, WD VelociRaptor, Black, Blue, and Green are trademarks of Western Digital Technologies, Inc. Other trademarks may be mentioned herein that belong to other companies. Pictures shown may vary from actual products. Data reflects products in production as of March 2009. Not all products may be available in all regions of the world. Product specifications subject to change without notice. Warranties vary by region. Visit [support.wdc.com/warranty](http://support.wdc.com/warranty) for details.

As used for storage capacity, one megabyte (MB) = one million bytes, one gigabyte (GB) = one billion bytes, and one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment.  
As used for buffer or cache, one megabyte (MB) = 1,048,576 bytes. As used for transfer rate or interface, megabyte per second (MB/s) = one million bytes per second, and gigabit per second (Gb/s) = one billion bits per second.

Compatibility with Windows and Mac operating systems may vary depending on user's hardware configuration and operating system. For products powered by FireWire or USB, a special cable is available for the few computers that limit bus power. Examples of the number of photos, songs, and any other files that can be stored on a hard drive are provided for illustrative purposes only. User's results will vary based on file size and format, settings, features, software and other factors.

# Company Overview

Western Digital is a data storage pioneer and a leader in the hard drive industry. WD provides cost-effective storage solutions for people and organizations that collect, manage and use digital information. Customers rely on WD hard drives in desktop and

notebook computers, mobile and handheld devices, corporate networks, and home entertainment applications to keep data secure and close at hand.

## WD Initiatives

The best backup medium is an external hard drive. High capacity external drives are very fast and allow you to keep all your data backed up in one place. For extra safety, try our two-drive external storage system and dedicate half the capacity for mirroring to automatically and instantaneously back up your backup every time. For more information, visit [www.backituponwd.com](http://www.backituponwd.com).

Environmental sustainability is important at WD. One of the best ways we can make a positive impact on the environment is to help our customers offer products that consume less electricity. To that end, WD has designed eco-friendly hard drives with GreenPower™ technology. For more information, visit [www.westerndigital.com](http://www.westerndigital.com).

External

## External Hard Drives

Mirror Edition

Essential Edition

### My Book® Mirror Edition™

The safest place for your data.

Secure your vital data on this dual-drive storage system with RAID Mirroring. With RAID-based continuous data protection, automatic data backup software, and user-serviceability, this is the perfect backup system for your irreplaceable data.

Model: WDH2Uxxxx • 1 TB - 2 TB  
USB 2.0 • Works with Windows® and Mac®  
3-year limited warranty (worldwide)

### My Book Essential Edition™

Add instant storage.

Small, elegant, and easy to use. Just plug it in and you've got plenty of room to back up and save your valuable data, music, photos, and movies.

Model: WDH1Uxxxx • 320 GB - 2 TB  
USB 2.0 • Works with Windows and Mac  
1-year limited warranty (Americas)  
2-year limited warranty (Europe, Middle East, and Africa)  
3-year limited warranty (Asia)

## External Hard Drives

Home Edition

### My Book Home Edition™

Preserve your precious memories.

Preserve your precious memories with this ideal combination of elegant, reliable storage with automatic, continuous backup features.

Model: WDH1CSxxxx • 500 GB - 2 TB  
USB 2.0, FireWire®, and eSATA  
Works with Windows and Mac  
3-year limited warranty (worldwide)

## External Hard Drives for Mac

Studio Edition II

Studio Edition

### My Book Studio Edition™ II

Fast, green and Mac ready.

This lightning-fast quad interface dual-drive external storage system for Mac offers performance for creative professionals. Includes up to 2 TB of storage, RAID, user-serviceability, and compatibility with Apple® Time Machine™.

Model: WDH2Qxxxx • 1 TB - 2 TB  
FireWire 400/800, eSATA, and USB 2.0  
Works with Mac and Windows  
5-year limited warranty (worldwide)

### My Book Studio Edition

Creative power for your Mac.

Get creative power for Macintosh® computers with this quad interface external hard drive, a powerful combination of elegant, high-performance storage, and automatic, continuous backup features.

Model: WDH1Qxxxx • 500 GB - 2 TB  
FireWire 400/800, eSATA, and USB 2.0  
Works with Mac and Windows  
5-year limited warranty (worldwide)

## External Hard Drives for Mac

Mac Edition

### My Book Mac Edition

Instant storage for your Mac.

Formatted for Mac, this simple, elegant drive is very easy to use. Just plug it in, and you've got plenty of room to back up and save your valuable data, music, photos, and movies.

Model: WDH1UxxxxAx • 1 TB  
USB 2.0 • Works with Mac and Windows  
1-year limited warranty (Americas)  
2-year limited warranty (Europe, Middle East, and Africa)  
3-year limited warranty (Asia)

## Home Entertainment

WD TV

### WD TV™ HD Media Player

Turn your USB drive into an HD media player.

This device turns your My Passport™ or similar USB drive into an HD media player. Supports Full-HD 1080p video playback and navigation. Simply plug in your USB drive and play HD movies, music, and photos on your TV. No need to delete movies to make room for more; simply add another USB drive to expand your collection.

Model: WDAVNxxxx, WDAVPxxxx • USB 2.0  
Requirements: USB storage device, standard or high definition television with HDMI or composite video connection.  
1-year limited warranty (Americas and Asia)  
2-year limited warranty (Europe, Middle East, and Africa)

## Home Entertainment

USB Edition

eSATA Edition

### My DVR Expander™ USB Edition™

Record more, delete less.

Instantly add up to 60 hours of high-definition TV or up to 300 hours of standard-definition TV to your DISH Network® ViP Series HD DVR. You'll have plenty of room to save your programs longer and never miss your favorite shows.

Model: WDH1Sxxxx • 500 GB • USB 2.0  
Works with DISH Network ViP Series HD DVR  
1-year limited warranty  
Current availability is limited to U.S.

### My DVR Expander eSATA Edition™

Record more, delete less.

Instantly add more recording hours to your DVR. Works with DVRs with an eSATA connector. Contact your cable TV provider to find out if eSATA is supported in your service area.

Model: WDG1Sxxxx • 500 GB - 1 TB • eSATA  
Works with Scientific Atlanta® Explorer® DVRs, TiVo® Series3™, TiVo HD DVRs, and Pace® HD • 1-year limited warranty  
Current availability is limited to U.S.

## Network Hard Drives

World Edition II

World Edition

### My Book World Edition™ II

Double-safe backup and storage for all your computers.

Simple setup and an automatic continuous double backup make this home network storage drive the best choice to make extra sure all your family's important digital content is protected. Central storage makes it easy to share files.

Model: WDH2NCxxxx • 2 TB - 4 TB  
Ethernet • Works with Windows and Mac  
3-year limited warranty (worldwide)

### **WD Caviar® Blue™**

Performance and reliability for everyday computing.

WD Caviar Blue hard drives are available with either SATA or EIDE interface in a variety of cache sizes. These drives offer a multitude of available features to deliver performance and reliability perfect for everyday computing.

Model: WDxxxxAAKS (16 MB SATA) • WDxxxxAAKB (16 MB EIDE)  
WDxxxxAAJS, WDxxxxJD (8 MB SATA) • WDxxxxAAJB, WDxxxxJB (8 MB EIDE)  
WDxxxxAABS, WDxxxxBD (2 MB SATA) • WDxxxxAABB, WDxxxxBB (2 MB EIDE)  
40 GB - 750 GB • SATA 3 Gb/s or EIDE 100 MB/s  
Works with Windows and Mac • 3-year limited warranty (worldwide)  
Retail kit: WDxxxxKSRTL, WDxxxxJSRTL, WDxxxxJBRTL

### **WD Caviar Green™**

Cool, quiet, eco-friendly.

WD Caviar Green SATA hard drives reduce power consumption by up to 40% and offer best-in-class acoustics and operating temperature.

Model: WDxxEADS, WDxxEACS, WDxxxxAACS • 500 GB - 2 TB • SATA 3 Gb/s  
Works with Windows and Mac • 3-year limited warranty (worldwide)  
Retail kit: WDxxxxCSRTL

### **WD Caviar Black™**

Maximum performance for power computing.

WD Caviar Black high performance 3.5-inch SATA hard drives combine 7200 RPM spin speed, 32 MB cache, SATA 3 Gb/s interface, and up to 1 TB capacity for the ultimate in power computing.

Model: WDxxxxFALS, WDxxxxAALS • 500 GB - 1 TB • SATA 3 Gb/s  
Works with Windows and Mac • 5-year limited warranty (worldwide)  
Retail kit: WDxxxxLSRTL

## Mobile Hard Drives

### WD Scorpio® Black™

Desktop-class performance for notebook computers.

WD Scorpio Black 7200 RPM SATA 2.5-inch hard drives deliver desktop-class performance and power efficiency for longer battery life.

Model: WDxxxxBEKT, WDxxxxBJKT • 80 GB - 320 GB • SATA 3 Gb/s

Works with Windows and Mac • 5-year limited warranty (worldwide)

Retail kit: WDxxxxKTRTL

### WD Scorpio Blue™

Big capacity for portable computing.

WD Scorpio Blue 5400 RPM SATA and EIDE 2.5-inch hard drives offer high performance, low-power storage for portable digital devices of all kinds.

Model: WDxxxxBEVT, WDxxxxBEVS, WDxxxxBEVE • 40 GB - 500 GB

SATA 3 Gb/s, SATA 1.5 Gb/s or EIDE 100 MB/s

Works with Windows and Mac • 3-year limited warranty (worldwide)

Retail kit: WDxxxxBEVTRTL, WDxxxxBEVSRTL,

WDxxxxBEVERTL, WDxxxxVERTL

## Enterprise Hard Drives

WD VelociRaptor

### WD VelociRaptor™

The evolution of 10,000 RPM SATA technology.

WD VelociRaptor drives offer maximum speed, low power consumption, and cool operation perfect for blade servers, performance enthusiast systems, workstations, and low-end servers. The thoughtfully engineered 2.5-inch form factor makes this the perfect fit for use in enterprise applications.

Model: WDxxxxBLFS • 150 GB - 300 GB • SATA 3 Gb/s  
Works with Windows, Windows servers, Linux, and Mac  
5-year limited warranty (worldwide)

The 2.5-inch WD VelociRaptor is also available in a 3.5-inch enterprise-class mounting frame for use in performance enthusiast systems, workstations, and low-end servers.

Model: WDxxxxHLFS, WDxxxxGLFS  
150 GB - 300 GB • SATA 3 Gb/s  
Works with Windows, Windows servers, Linux, and Mac  
5-year limited warranty (worldwide)  
Retail kit: WDxxxxGLFSRTL

## Enterprise Hard Drives

WD RE3

WD RE2-GP

### WD RE3

Generation 3: Best-in-class performance, unparalleled reliability.

WD RE3 7200 RPM Enterprise SATA hard drives are packed with performance and reliability features making them the perfect solution for servers, storage arrays, video surveillance, and other demanding enterprise applications.

Model: WDxxxxABYS • 250 GB - 1 TB • SATA 3 Gb/s  
Works with Windows, Windows servers, and Linux  
5-year limited warranty (worldwide)

### WD RE2-GP

Good for the environment and your bottom line.

WD RE2-GP SATA hard drives offer data-hungry organizations massive capacity with significant power savings and lower cost of ownership compared to standard enterprise-class drives.

Model: WDxxxxFYPS, WDxxxxAYPS, WDxxxxABPS  
500 GB - 1 TB • SATA 3 Gb/s  
Works with Windows, Windows servers, and Linux  
5-year limited warranty (worldwide)

## Consumer Electronics Hard Drives

WD AV

WD AV-GP

### WD AV

Designed for demanding audio and video environments.

WD AV hard drives deliver the characteristics CE manufacturers seek most: smooth streaming, whisper-quiet acoustics, low-power consumption, and thermally optimized operation for unparalleled reliability.

Model: WDxxxxAVJS, WDxxxxAVJB, WDxxxxAVBS, WDxxxxAVBB  
80 GB - 500 GB • SATA 3 Gb/s or EIDE 100 MB/s  
Works with Windows and Mac • 3-year limited warranty (worldwide)

### WD AV-GP

GreenPower for AV: Cool, quiet, reliable.

Power-conserving WD AV-GP SATA hard drives offer significant power savings and thermally optimized operation resulting in lower cost of ownership and unsurpassed reliability for DVRs, PVRs, set top boxes, and digital video surveillance recording.

Model: WDxxEVCS, WDxxEVDS, WDxxxxAVCS, WDxxxxAVVS  
160 GB - 1 TB • SATA 3 Gb/s • Works with Windows and Mac  
3-year limited warranty (worldwide)
